3. I think his elves and his magic helps. Also, because there are different time zones - he can go and get more presents and travel to the other places where it is earlier.

Abby Brichacek

2. Santa Claus would like to have something healthy. I might give him some eggs and bacon and maybe some hot chocolate. I might make him a gift for Christmas - it might be a bracelet or a paper angel.

Isabel Cole

1. Well if you ask me I would say, he was born with a red nose on Christmas Eve because God knew that Santa Claus needed a light to help the reindeer see. He had a red nose because Santa needed light to guide his sleigh. Santa had to navigate many storms.

Samuel Zimmermann

2. I think Santa would like ketchup as a gift. Well, I don't know if Santa would like it, but I sure do!!!!

Jameson Harvey

2. I think that Santa would like to receive Girl Scout granola bars to still receive the flavor of the cookies and hot chocolate. I think he could loosen down on some fat so he could get into his sleigh and hot chocolate would keep him warm.

Avery Japke

2. I think Santa would like a heating blanket because he can stay warm while traveling in the cold. Another thing I think Santa will like is some coke to drink because he'll probably get thirsty. One more thing I think Santa will like is a nice little foot rub since he's on his feet so much.

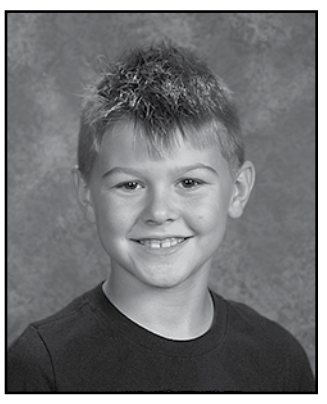

Skye Larson

2. I think he would like a vacation to Hawaii all to himself. I know milk and cookies are classic, but he gives all the children presents. He needs a little something too.

Alexis Opelia

3. All of the presents shrink when they get in the bag. He puts the bag in the back of the sleigh. When he takes the presents out of the bag they grow back to normal size.

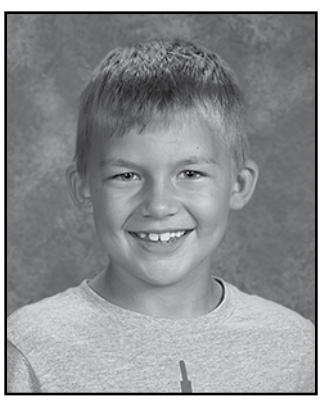

Riley Reese

2. I think Santa Claus would like beef jerky. It is a kind of snack for long trips and it is a man's kind of snack.

Andrew Paklonsky

3. His elves have magic powers so they built him a sled as strong as stone and as soft as his bed. Then they realized they were missing something important - something big. "A bag!!", they yelled. They built a bag but it couldn't hold all the gifts, so they used their magic powers to build a huge bag with magic powers. It can hold every present in the world and still fit on the sled.

Elijah Greenwaldt

3. It's not a Christmas miracle no indeed. It's obviously a miracle from God because God will shrink the presents and the sack. Once Santa delivers them they unshrink.

Eli Rutten

2. I think Santa would like everyone to be kind and loving and show respect. That's what I think Santa would like as a gift besides milk and cookies.

'Tis the season to be jolly, deck the halls with boughs of holly, trim the tree with lights that glow, and send our best wishes to the best folks we know!

Happy Holidays!

1. I think Rudolph's nose is red because, he wanted to be different. So he drilled a hole in his nose and filed the hole with glue. After that he found a big red light bulb and stuck it in his nose. And then he sat in the freezer. And that's how it all happened.

Ashley DeNio

2. I think Santa would like toothbrush as a gift. I think he would like it because it can help your tooth and he eats lots of cookies.

Wyatt Beach

2. I think Santa would like a new sleigh and a new reindeer. Then, he would travel faster.

Colston Cremers

3. I think Santa gets everything in one bag because his little workers help him. He is so strong and good at stuff. He probably shoves the presents into that bag. His bag is so big that is probably how he can put the presents in there.

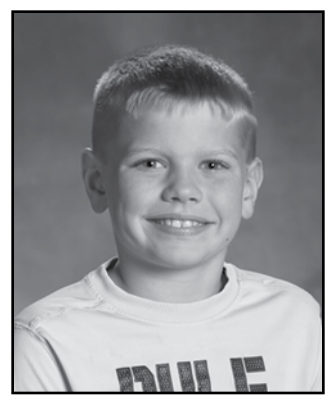

Emma Lentner

3. I think Santa gets all the presents in one bag by magic because I saw a movie. I think the elves help make the toys.

Caroline Williams

1. I think Rudolph's nose is red because he cut a hole on the little light bulb! And put it on his nose. Then he turned it on and he put his nose in the freezer with the light bulb on his nose. Then he painted it red.

Andrew Brown

1. I think Rudolph's nose is red because he got burnt. Because he stuck his nose too close to the fire and it turned red.

Nicholas Emerson

2. I think Santa would like 100$ as a gift. I think he would like it so he can buy more presents for kids. And to pay off his bills. And to leave it for kids.

Riley Long

2. I think Santa would like more time to give presents. I think he would like it because kids do not see him. He is really nice and good and really deserves it. He is really cool.

Taten Rardin

1. I think Rudolph's nose is red because he put red hair jell in his hair and it slid onto his nose and turned clear and red. It glows in the dark too.

Makenna Camacho

Jacob Jensen

Jayden Lyons

1. I think Rudolph's nose is red because he is nervous and happy. Because the other reindeer are mean to Rudolph .

See Questions on page 13c.

Sawyer Colgrove

Bailey Martin

1. I think Rudolph's nose is red because he was born with a red nose and the reindeer made fun of him. I think Rudolph and Santa like the red nose.

Hannah Vieths

1. I think Rudolph's nose is red because he painted it and it will not come off of his nose. He is happy to have a red nose because Santa likes it.

Gabriella Conklin

Aidden Knopik

1. I think Rudolph's nose is red because he is happy. I think he is exited. I think he is silly.

Riley Meyer

1. I think Rudolph's nose is red because it charges in light and when he wants it on he can turn it on. I'm sure it helps Rudolph and Santa at night.

1. Rudolph's has a red nose. Maybe he was a clown. Maybe he put on make-up. Then when he tried to wash his face, the nose stayed red. Oh No! I love Rudolph.

Iome Decker

1. This is how I believe Rudolph got his red nose. Rudolph was a gifted reindeer. God gave a gift to Rudolph. Santa found out so he found Rudolph and asked him to help. That is what I believe!

Cam Berent

1. Rudolph has a very shiney nose because Santa has magic. Maybe he was born with it. Maybe he was a clown. Maybe he ate some type of food. Rudolph gets to lead Santa's sleigh because his nose is so bright.

Christopher Bock

2. I think Santa would like candy. Candy is good. Maybe he would like toys. They're fun to play with. Treats are good too. Santa would like these gifts.

Ryder Greig

1. Rudolph's nose is really special! Rudolph and his glowing nose helps Santa a lot. When Rudolph was born, he had a red nose. It probably was like that because one day when Rudolph was not even born yet, it was a super cold day and Rudolph's mom caught a bad cold. This might be one idea. Rudolph is very important.

See Questions on page 13c.

Kendra Walker

2. I think Santa and the reindeer would like some carrots for the reindeer that want to rock and roll. Santa would like another reindeer because he might be late for dinner. Santa might want to have some light bulbs for his sleigh, but they can't be too bright or people might wake up. I probably wouldn't wake up. I think I know what the reindeer would like for Christmas. I think that they would like their own sleigh. That's what I think Santa and his reindeer would like for Christmas!

Logan Fitch

1. Rudolph's nose is red. Rudolph was born with a red bright nose. Rudolph's mom was a normal reindeer but he wasn't. Rudolph was born at the North Pole. Rudolph had a bright nose.

Alex Beach

1. Note to reader: each sentence is going to be a different theory. Hello. I am going to tell you a few theories about how Rudolph got his red nose. Theory 1: Maybe Rudolph's nose is so cold that it is always red. He must have a really cold nose because some of the places he goes are very hot. Theory 2: Maybe he was just plain born with it, just maybe though. Theory 3: He could just have a cut on his nose and the blood is frozen to his nose or it is dried to his nose. Do you you like my theories? The real question is, does Rudolph even have a red nose?

Hunter Leonard

1. How did Rudolph get his red nose? Santa gave him a red nose so that Santa could see. Maybe Rudolph was born with a red nose. Maybe he gets a red nose when he is happy. Rudolph rocks!

Grant Grimsley

1. Why is Rudolph's nose red? Is it because he was born gifted? I think he wa born to guide Santa's sleigh. I think Rudolph is meant to let Santa see in the dark when he is riding to give us presents so Santa does not hit a building or crash into an airplane. I wonder why Rudolph's nose is red.

1. One day, Rudolph and his friend, Comet, were playing Reindeer games. Rudolph and Comet were playing reindeer baseball. Rudolph lost 0-10. He was not the best at reindeer baseball. Now reindeer kickball was a whole different story. Rudolph could get home runs in his sleep. He could catch, throw, run, and best of all, he could dodge when people threw balls at him.

One day, Rudolph called Comet and asked if they could play reindeer kickball. They met up at the diamond and started playing kickball after a mean game of rock, paper and scissors. Rudolph was outfield and Comet was infield.

Donner, Rudolph's dad, made a fire and was enjoying it while he was watching the reindeer play. Rudolph rolled the ball and Comet kicked it into the air. Rudolph ran as fast as he could. Between you and me, Rudolph could run fast. Rudolph jumped super high, like 7 feet. He caught it, but he landed face first into his dad's fire and his nose has been red ever since. That is what I think happened to Rudolph and his bright red nose.

Hannah Feustel

3. Santa delivers presents to all the boys and girls in the whole world! But there is one question: How does Santa do it? I have an answer: time travel. There is one even bigger question: How does he fit all the presents into one bag and one sleigh? I'll tell you! He has a magic bag that goes on forever! Old St. Nick has a sleigh that runs on Christmas Spirit power! There is a lot of it at Christmas time! The reindeer had to go through special training! Since there are so many presents in the sleigh, the reindeer had to pull a sleigh that was filled with a lot of elves. We all wake up on Christmas morning thrilled! As for Santa, he is probably asleep. Merry Christmas, everyone!

Breauna Ailts

3. I bet you're wondering how Santa fits all the presents for all the kids in the world in one bag. Well, I have the answer to that. He has a magic bag. When Santa goes to a house, the presents for the people that live there pop out of the bag. That is the answer to the question. Be good, Santa is watching! Merry Christmas!

Madelyn Jensen

1. Rudolph got his nose because he helped Santa. Rudolph got his nose because he got teased. Rudolph got his nose because he loved Mrs. Claus. That's how Rudolph got his nose.

Hailey Neyens

1. Rudolph has a bright red nose. I think that Santa and Rudolph had been planning to paint his nose red. Maybe he was born special like that. He was clumsy and he fell into a hole of red paint. That's why I think Rudolph's nose is red.

Giselle Polkow

1. Once upon a time, there was a reindeer named Rudolph. Rudolph found a flashlight. He bumped it with his nose and his nose started to blink. It got faster and faster until it got RED! He started to get scared. "Help somebody, Help, Please!" Then somebody came, that somebody was Santa. He said, "Do you want to join my group of reindeer?" "Yes," said Rudolph and that is how it went. The end.

Bailey Rudrud

1. Sometimes I sit and wonder, "Why is Rudolph's nose red?" He could have painted it, you never know. Maybe it's naturally red or maybe it's a stick on nose. Or maybe it is just Santa's favorite color and he wanted it to be red. Maybe he always has colds in the winter, no one ever knows. I think everyone knows what it is ... he is a clown!! I don't know why Rudolph's nose is so bright, maybe Santa will tell me.

Gabe Parrish

1. How did Rudolph get his nose? It is unknown, but I think I know. First, Rudolph was a nice clown. I think Rudolph drank a potion which turned him into a reindeer. I think Rudolph lost his wig and was left with his nose. Then Santa found him and that's how Rudolph's nose came to be.

Emerson Gehrke

2. Santa would like a Pepsi for a gift. Maybe his reindeer would like carrots for a gift. Maybe some dim light bulbs to see in the fog at night. Santa might like a bigger sleigh to carry all those presents. Santa may like those things a lot!

Tyson Decker

1. Rudolph's nose is red and super bright. Rudolph was born with a red nose! I think Rudolph has a red nose because I think he has a magic power. I think Rudolph has a light in his nose. Rudolph is awesome!

Hailey Hanson

1. Once upon a time in a place we call the North Pole, a deer was born and it has no ordinary deer. It was a reindeer and his name was Rudolph. He was adorable, but the other reindeer didn't think so. One day Rudolph decided to stick his nose in a strawberry and that stained his nose. That is how Rudolph got a red nose.

Austen Hansen

1. Rudolph had a very shiney nose because Santa is magic. Maybe we was born with it. He is the captain of the sleigh. Rudolph is first because he has a shiny nose.

2. I think Santa would like burritos and apple juice. A million years has past and milk and cookies got pretty boring. And I'm getting pretty upset that we have to make milk and cookies.

Cayden Boller

2. I think Santa would like a new sleigh because his sleigh is old, rusty and small. So, why not get Santa a new sleigh? And it could fit more toys, right? Even Rudolph would like it. Santa, you would like it, right?

Mia Bowman

1. When Rudolph was a little reindeer, he had no nose. One day, a man found a reindeer nose laying on the ground. Next to it was a red light bulb. The man went home and combined them. Rudolph was sitting in his stable when the man came in. He put the nose on Rudolph. Rudolph loved it!

Nathan Braaten

1. When Rudolph was born, his nose was red and glowed in the dark. He colored it dark red. He stuffed his nose with red candy canes. He colored his nose with red lipgloss. He also put a lightbulb in his nose. That's how he got his red nose.

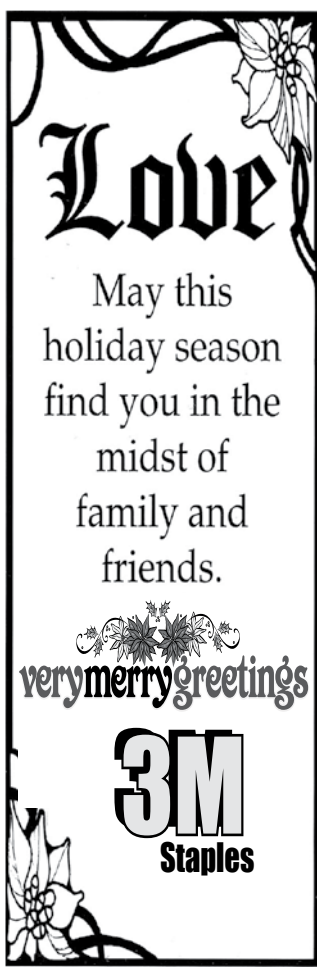

Lucus Breckenridge

2. I think Santa would like a cheeseburger because they are delicious. I would also give him candy, a pencil, a cookie and a warm glass of milk. I think Santa would like all of that!

Earl Brown

1. When Rudolph was a little reindeer, he was a jolly reindeer. But, he wanted to be just like Blitzen. So, he went to Santa and said, "I want to be as famous as Blitzen." Santa said, "I will give you a red nose." So, he touched Rudolph's nose, and it turned red. Then, he was as famous as Blitzen. He was more famous than all of them.

Rachel Hoffman

1. On Christmas Eve, Santa was decorating his tree. He didn't have enough ornaments to cover the whole tree. So, he went to get more at the store. When he was there, he got candy canes. He hung up the candy canes on the tree. He had some left over, so he hung them on the reindeer stalls. Rudolph got his, unwrapped it and rubbed his nose in it. He thought that he would get in trouble, but he didn't. Since then, his nose was red.

Gage Eck

1. One winter when Rudolph was a kid, he was walking. It was cold. He found his favorite food on the ice. He ate it, but his nose got stuck in the ice. It got so cold for his nose, it turned red. It's been red ever since.

Edward Larson

2. I think Santa would like a few new lights for Rudolph's nose if Rudolph's nose goes out. I bet he'd like 1,000,000,000,000,000,000,000 candy canes!!!! I bet he'd like a snowmobile to carry all those presents. Well, that's all for now. I'm going to buy Santa a snowmobile!

Hailey Horak

3. On Christmas Eve, Santa's elves stack Santa's big bag. Santa's elves are good at stacking Santa's big bag full of presents. Santa's sleigh is big, so all of the presents can fit. Finally, Santa and his reindeer pass out the presents to the world.

Elijah Nichols

2. I think Santa would like a PS4 so he could do something on his vacation. He could play Minecraft, WWE and Little Big Planet. If he has plastic, Santa can make Minecraft 3D skins.

Charlie Letcher

1. When Rudolph was a baby, he went outside. He built a snowman. Then, he had a snowball fight with the snowman. After that, he found a little tree and decorated it. Then, he tripped and fell in the snow. An hour later when he went inside, his nose was frostbit!

Cedarlyn Otremba

1. It all started when Rudolph was born. He was born like that, I think. But other people don't think that. They think it got more red as he got older. His red nose helps Santa see when he's delivering presents on Christmas Eve night. Rudolph helps lead the pack.

Wyatt Porter

1. It all started when Rudolph was a baby. He was 2 months old. He was playing with the other reindeer, laughing, running and playing. When Rudolph got older, he helped Santa deliver gifts. When he got home, his nose lit up, and paint turned his nose red. That's how Rudolph got his nose!

Dennis Rahm

3. Millions of years ago, Santa's elves were filling the sleigh. The elves couldn't fit all of them in there. He could only fit sixteen in the bag. So, he had his elves make him a super-stretchy bag. Then, he could fit all of the presents in there.

Leah Carner

1. Rudolph was born with a red nose. His nose makes noises when it glows. It glows whenever he is scared. At first, everybody was scared of him when his nose was glowing. But, nobody is scared of him anymore.

Raven Johnson

3. Santa starts at the half of the world that is dark. Then when the sun is coming up, he goes to the other half of the world. His bag is really big. The sleigh is even bigger. The reindeer are really strong, so they can pull it.

Sophia Schrom

1. When Rudolph was born, he had a red, shiny nose. When his friends saw his nose, they laughed and laughed. When the coach came, he saw Rudolph's nose. He was mad. So, he sent Rudolph home. Rudolph ran home. Rudolph's dad came to pick him up, but his dad couldn't find him. Rudolph's dad wondered about Rudolph. Rudolph was very sad that everyone laughed at him. Rudolph's dad looked and finally found him. So, they had a party.

Jack Schindele

2. I think Santa would like a new ship. It would go 152,000 mph and could make it around the world in 2 hours. It would turn very sharp. It could do camouflage. There would be a lot of buttons and controls inside of it. There would also be an elevator because it would be really big. It would have big windows. There would also be ninja elves who help Santa give presents all the boys and girls in the world.

Chloe Lee

2. I think Santa would like Coca-Cola, brownies and carrots. Coca-Cola is good. I watched a DVD, and Santa had Coca-Cola. Brownies are also a good treat. They taste like cookies. The carrots are for the reindeer so they don't get sad.

Grace Schwegel

3. In December, Santa and his elves wrap all of the presents. Then, they put the presents into a machine that makes everything small. Next, they put it all in his sleigh. If it's too big and he doesn't want to shrink it, he puts it at the bottom of his bag and everything else goes on top. When he's all done, he goes up, up and away. When the presents get under the tree, they get bigger if they are supposed to.

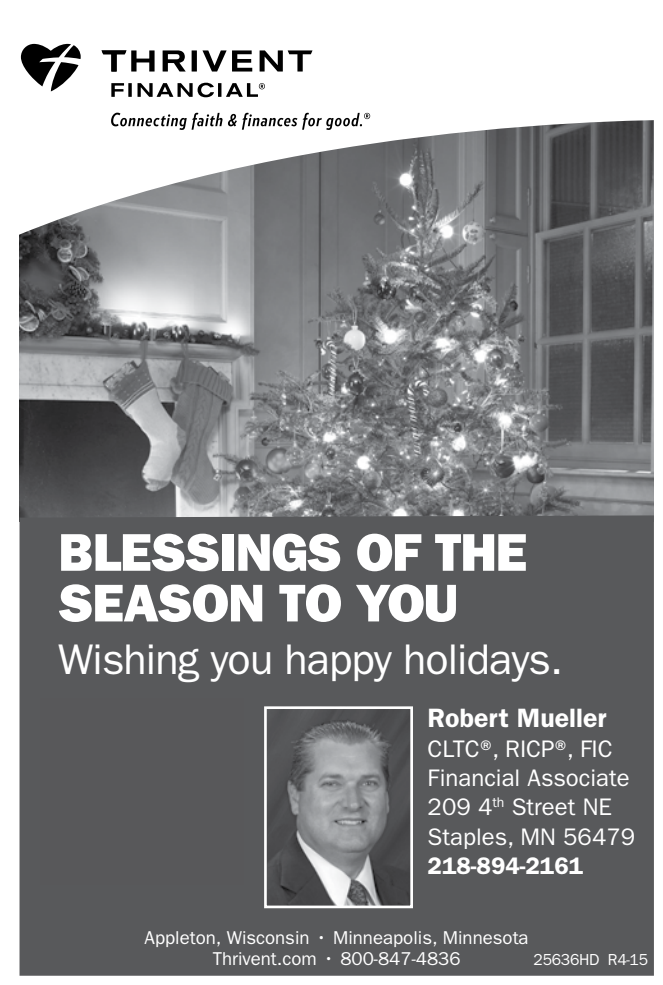

Tristan Loucks

2. I think Santa would like a thermometer to check the temperature so he won't be cold. If it's cold, he can get a coat. If it's warm, he'll take off his coat. That's why I think a thermometer is a good idea!

Chelsea Vieths

2. A lot of people give Santa milk and cookies. He might get tired of milk and cookies. I think Santa would like a candy cane for a gift. The candy cane would be little because the big ones have too much sugar. Too much sugar might make him sick.

Pillager Elementary School - Samantha Johnson's class

Elizabeth Abear
